Estepona will be holding its International Festival on Sunday, 22nd April. The event kicks off with a procession through the town, after which the activities move to the Palacio de Congresos with a wide ranging programme of music and entertainment, as well as stands representing the 36 countries and organisations participating.

A number of schools in Estepona are currently running a competition amongst 10 and 11 year olds to design a flag for the event. The winning design will be made into the flag which will be raised in a ceremony at the Palacio at around noon on the day of the event. We will be publishing the full programme and other details as soon as they are available. For more information call Francine Pompas at the Estepona Tourist Office on 952 809 031.
