Sport

The South of Spain offers some of the best sporting facilities in Europe, which combined with its unique climate makes sport an important feature of life on the costa del Sol.

Within this section of the site we will try and bring you as comprehensive a coverage of all the sports available in the area. Use the 'Sports Menu' to navigate around this section or use the search facility to find what you are looking for.

If you are the member of a club, or have a particular interest in a specific sport, or would like to contribute in any way to this site, the newspaper or both, then please contact editor@theresident.eu.
